- This offering is open to the employees of the Amundi Group companies which joined the Plan, having at least three months of employment (whether continuously or non-continuously) achieved between January 1, 2024 and the last day of the subscription period, i.e., September 26, 2025.
- I declare fulfilling the conditions required to participate in the offering. This form entails my membership of the Plan.
- I understand and acknowledge that the terms of my participation in the 2025 Employee Offering are governed by French Law.

Documentation

- I have read all the documents in connection with this offering (the information brochure, the Key Information Documents of the FCPE AMUNDI SHARES RELAIS 2025 and of the FCPE AMUNDI SHARES, this subscription form and the local supplement for my country) which are available to me on the website www.weshare.amundi.com. I also have access on this site to the Plan rules, to the regulations of the FCPE AMUNDI SHARES RELAIS 2025 and of the FCPE AMUNDI SHARES and other information on the Offering.
- My decision on whether or not to participate in this offering is entirely voluntary. My decision will have no effect on my employment within the Amundi Group. Participation in this offering is separate from and does not form a part of my employment agreement. It does not confer to me any right or entitlement in relation with my employment, including upon termination.

“U.S. Persons”

- The subscription for units of the FCPE AMUNDI SHARES RELAIS 2025, and later the units of the FCPE AMUNDI SHARES is not open to “U.S. Persons” and, therefore, I certify that I am not a resident of the United States. I note that additional information on this restriction is set out in the regulations of the FCPE and is also available on the website www.amundi.com.

Specific rules for Russia and Belarus

- As a result of sanctions imposed by the European Union, citizens or residents of Russia or Belarus who do not have legal residence or citizenship in the European Union, in a country member of the European Economic Area or in Switzerland may not participate in this offering.
- Therefore, I declare that:
 - I am not a Russian national or resident of Russia, or if I am, I am also a citizen of a Member State of the European Union, of a country member of the European Economic Area or of Switzerland or I have a temporary or permanent residence permit in one of these countries; and
 - I am not a Belarusian national or a resident of Belarus, or if I am, I am also a citizen of a Member State of the European Union or I have a temporary or permanent residence permit in one of these Member States.

Lock-up period

- I have noted that my investment is subject to a 5-year holding period during which it cannot be sold, unless I become eligible for one of the early exit events permitted under the Plan.

Incomplete form

- I have duly noted that my subscription form may be cancelled if incomplete (absence of the date, of the words “read and approved”, of consent for processing and transfer of my personal data and/or of the signature) or if it is not accompanied by the documents required.

Paper form and online form

- I also note that if I submit a paper subscription form and a subscription request online, only the request submitted online will be processed and this paper subscription form will be disregarded.

After the capital increase

- I acknowledge that the FCPE “AMUNDI SHARES RELAIS 2025” will merge with the FCPE “AMUNDI SHARES” following a decision by the Supervisory Board and the approval of the French Financial Markets Authority. I will then own units of that FCPE.

Dividends

- Any dividends paid with respect to shares held in the FCPE AMUNDI SHARES will be reinvested by the FCPE in additional Amundi shares and will increase the number of FCPE units that you hold.

Ceilings and reduction:

- The amount of my investment in the Plan is capped at 25% of my annual gross compensation (this ceiling is calculated including all payments that I made during one year calendar year in all savings plans established under French law to which I have access). Furthermore, the total amount of the subscription is limited to €40,000 per person. This €40,000 cap is assessed on all the employee shareholding operations of the Crédit Agricole Group in which Amundi employees could participate in 2025. Consequently, I must ensure that the total amount that I wish to invest in this 2025 Employee Offering does not exceed the 25% ceiling nor the €40,000 ceiling (please see above regarding Euro/MYR conversion).

- If the amount of my subscription exceeds €40,000, my subscription order will be reduced in order to comply with this individual ceiling.
- A total of 1,000,000 shares are made available for subscription in the 2025 Employee Offering. If the subscription requests exceed this amount, my subscription may be reduced. The reduction will be made by reducing the highest subscriptions until reaching the ceiling. Details regarding the process of reduction are described in the regulations of the FCPE AMUNDI SHARES RELAIS 2025.

Default of payment:

- I have duly noted that, should I default on payment, I remain liable to Amundi for any outstanding balance I owe. Nevertheless, Amundi reserves the right, subject to applicable legislation, to redeem all of my FCPE units, without any prior notice whatsoever, in order to allocate the proceeds towards the payment of any outstanding amount I owe on my subscription. If the proceeds generated from this sale are not sufficient enough to secure the payment, in full, of the outstanding amounts indicated above, I will remain liable to Amundi for the corresponding amount.
