

EXOSENS – "EXOSHARE" 2025 EMPLOYEE OFFERING

CONSENT FORM

I, the undersigned, _____, ID no. _____, hereby notify El-Mul Technologies Ltd. (the "**Company**") that I voluntarily elect to invest a total of _____ ILS (the "**Amount**") for the purchase of shares of Exosens S.A. under the "ExoShare" 2025 employee offering. I understand that my participation is entirely voluntary and that I may revoke my consent at any time by providing written notice to the Company, subject to the terms set forth below and in accordance with applicable law. The Amount shall be deducted from my monthly salary in six (6) equal monthly instalments of _____ ILS each, as of my November 2025 salary (payable in December 2025) (the "**Payment Period**"), in accordance with Section 25 of the Wage Protection Law, 1958.

Accordingly, I hereby expressly authorize and request that the Company withhold and deduct an amount of _____ ILS from my monthly salary, throughout the duration of the Payment Period, in accordance with Section 25 of the Wage Protection Law, 1958, and subject to my right to revoke this consent at any time by providing written notice to the Company. I acknowledge that any revocation of consent after the shares have been delivered to me shall require immediate payment of any outstanding balance, as detailed below.

In the event that my employment with the Company is terminated for any reason, after the shares have been delivered to me and prior to the elapse of the Payment Period, the Amount or any remaining unpaid balance will become immediately due and payable prior to such termination, and the Company will be entitled to withhold the remaining balance due on the Amount from any and all amounts owing to me from the Company, in accordance with applicable law. By signing below, I hereby irrevocably authorize the Company to set off and deduct any part of the Amount owed by me against any and all amounts due to me from the Company. Any balance remaining thereafter will be paid by me immediately, by an immediate bank transfer, within 7 days from the Company's request. In the event that I fail to timely pay any outstanding portion of the Amount, I hereby authorize and instruct the Company, without any advance notice or reminder to pay, to cause the redemption of all or a part of my shares, and to allocate the necessary portion of the proceeds to the repayment of the remaining balance of the Amount, all in accordance with applicable law.

For the avoidance of doubt, my signature on this consent form shall be deemed as a "written consent from employee to employer" as such term is defined under Section 25 of the Wage Protection Law, 1958, and I confirm that I have been informed of my right to revoke this consent at any time by providing written notice to the Company.
